There has been a ONE WEEK postponement in Daviess County concerning voter registration locations at Coffey and Jameson. The postponement was caused by this week's snowy weather, and poor road conditions that followed.

The new date is Wednesday, March 6th. The voter registration times have been re-scheduled for Sims Service Station (Coffey) from 9:15 until 10:45 and at the North Daviess School (Jameson) from 11 o'clock to 12:30.
