A Newtown man, 43-year old Wesley Tuley, has been arrested and jailed, charged with sexual misconduct involving a child.

Sullivan County authorities have brought Tuley to the Daviess-DeKalb Regional Jail in Pattonsburg, where he is being held on \$25,000 cash-only bond.

Court papers indicate that videos on a computer have shown Tuley exposing himself to a 12-year old boy. A first court date for Wesley Tuley has not yet been set.
