A Cameron resident was hurt on Wednesday morning when the car she was driving traveled off a road north of Cameron, hit a metal post, and overturned. Seventeen-year old Brittany Jones was taken to Cameron Regional Medical Center, with what the Highway Patrol called MODERATE injuries. The accident was three miles north of Cameron on DeKalb County Route EE. The Patrol said the southbound car traveled off the right side of the road, the driver over-corrected, and the vehicle went off the left side of the pavement, hit a large metal mail post, and overturned once, coming to rest on its top. The car was demolished. Miss Jones was wearing a seat belt.
