Female graduates of Princeton and North Mercer High Schools may soon begin applying for a Gene Kauffman scholarship for the fall semester of college. The application period starts on Wednesday, May 1st.

Application forms are available at Princeton and North Mercer High Schools, and on the websites of each school district. They also can be obtained via mail by writing to the Gene Kauffman Scholarship Foundation at P.O. Box 113 in Princeton.

Applications are DUE the afternoon of June 14th at 3 o'clock. Nicotine test results, grades, class schedules, and tuition invoices are due on August 30th.

Gene Kauffman scholarships are available to female, non-smoking, unmarried graduates of the high schools in Mercer County. Potential recipients must be enrolled as a full-time student in an accredited college or university in Missouri, and carry at least 12 credit hours in the fall semester.
