SULLIVAN COUNTY, MO. -- A northeast Missouri woman has been arrested on federal charges. Dolores Snow, 36, of Green City, is charged with numerous counts of mail fraud and healthcare fraud in Iowa. She was arrested Wednesday in Sullivan County.

According to the federal indictment, Snow is accused of sending false claims to Medicaid for services she had not performed. The claims were in excess of \$15,000.

Snow has since been released from custody. Her trial is set for July 2 at the Federal Courthouse in Des Moines.
