The Grundy County Relay For Life raised more than twenty five thousand dollars for the American Cancer Society.

The Con-Agra team raised the most at more than sixty one hundred dollars, followed by the Wesley United Methodist church squad at nearly forty one hundred.

Teams representing Wright Memorial Hospital and North Central Missouri Mental Health Center each earned slightly over three thousand dollars.

Approximately four hundred Luminaria were sold. Approximately one hundred cancer survivors walked the opening lap.

The main activities were late Saturday afternoon and Saturday night at the Trenton Middle and High School complex.
