The agenda for a meeting of the Laredo board of education Monday night includes the budget for the fiscal year ending this June 30th, and a preliminary budget for the fiscal year starting July 1st.

A special board meeting is to be scheduled for late this month to close out the current budget and make final transfer adjustments.

Also on the agenda for the meeting this coming Monday night are non-certified salaries; an annual transportation report; recommendations from an insurance carrier following an inspection of the building; a physical hazard action plan; and bids for building repairs, fuel, propane, and milk.

Other topics are summer maintenance and a closed session regarding personnel and student matters.

The Spickard board of education meeting is Monday night at 7 o'clock at the school.
