A Maysville man suffered moderate injuries in a motorcycle accident Saturday evening in DeKalb County.

The Missouri State Highway Patrol reports 48-year old Paul A. Rannabargar was transported by DeKalb County Ambulance to Cameron Regional Medical Center.

The patrol reports the accident occurred at 9:18 p.m. on Highway 6, five miles east of Maysville. Rannabargar was driving a 2000 Honda motorcycle westbound when he either struck or swerved to avoid a deer on the road, laid the cycle down and slid along the pavement, coming to a stop off the north side of the road. The patrol reports he was wearing a helmet.

The DeKalb County Sheriff's Department assisted at the scene.
