A Kirksville resident was hurt when the sport utility vehicle he was driving ran off Highway 11 in northeastern Linn county and hit a ditch.

21-year old Jacob Pipta of Kirksville was taken to Northeast Regional Medical Center at Kirksville. The highway patrol said he had moderate injuries.

The accident was late Saturday afternoon three miles West of new Boston on highway 11.

The patrol said the northbound s-u-v went off the Right side of the road, the driver over corrected, the S-U-V crossed the center line, ran off the road again, and hit a ditch. The vehicle was demolished. Pipta was wearing a seat belt.
