Power is scheduled to be turned off in the City of Unionville for work to be completed on a new substation.

According to officials at Unionville City hall, the power outage is scheduled for June 25th at 11:30 pm.

Power is scheduled to be off approximately one hour. Residents should plan for the outage.

In case of rain, the power outage will be re-scheduled for June 26th at 11:30 m.
