A quarterly meeting of the directors for Green Hills Regional Planning Commission and North Missouri solid waste management district is June 27th in Trenton.

Agenda items include a budget for the upcoming Fiscal year, amending the current budget, discussion of Associate memberships, a contract with North Missouri solid waste management district for Administration and plan implementation services, a State planning grant match resolution, and the Director's report.

A closed session may be held for real estate and personnel.

The meeting is June 27th, one week from tonight, at the Green Hills Regional Planning Commission offices in Downtown Trenton. It follows a dinner at 6:30.
