Two boys from Ludlow were hurt last night when their car ran off Highway 5 in Sullivan County, struck a cement culvert and a ditch.

The highway patrol report shows the driver, 18 year old Quentin Bassett with serious injuries and transported to the University Hospital in Columbia. His passenger, 18 year old Derek Montgomery, was listed with minor injuries and received treatment at the scene. Neither youth was wearing a seat belt. The car was demolished. The accident was three miles south of Milan.
