The Sullivan County Fair will be ending this weekend, but, there is still a lot to see and do.

The Fair Queen Pageant took place Tuesday night and FFA and 4-H students from Milan, Green City and surrounding areas have been exhibiting their projects since Wednesday.

Goat and Sheep Shows were held on Thursday and a Small Animal Show was held Friday morning.

Some kids say that this event gives them a chance to share their projects and show their dedication to agriculture.

"It teaches us a lot of responsibility and hard work. You can't just give up, you just got to keep doing it," said 4-H Student Mary Watt.

The fair continued Friday night with the Swine Show and concludes Saturday with a breakfast. The Beef Show starts at 8 a.m. and the Super Farmer Contest at 2 p.m.
