In southern Livingston county late yesterday afternoon, the highway patrol reports two pickups collided nearly head on when one was attempting to make a turn.

This accident happened two miles north of Hale and injured a man and his wife from Hale. The patrol described injuries as moderate for 49 year old Richard Windsor and 45 year old Lorie Windsor.

They were taken by ambulance to Hedrick Medical Center in Chillicothe. The patrol report noted the Windsors were westbound on county road 322 when he attempted to turn south onto county road 387. The collision occurred with a northbound pickup on 387 that was driven by 19 year old Charles Summers of Hale.

The crash demolished Windsor's pickup and caused extensive damage to Summers' vehicle. Mr. and Mrs. Windsor, according to the patrol, were not wearing seat belts while all occupants of the Summers pickup avoided injury cause they had on seat belts.
