The Princeton Board Of Education held a meeting, hiring a new instructor, who will graduate from Northwest Missouri State University.

The Princeton Board Of Education has employed Heather Johnson as a high school business teacher. It's the first teaching job for the Princeton High School graduate.

Ms. Johnson is to be graduated from Northwest Missouri State University at Maryville next month.

The Princeton Board Of Education has scheduled a public hearing regarding the proposed property tax levy. The hearing is the evening of August 12th at 5:45 in the high school library.
