Following a single vehicle injury accident last night in New Cambria, the highway patrol reports a female passenger was arrested on a felony warrant that had been issued by Grundy County.

29 year old Laci Dunn, whose address was listed by the highway patrol as Laredo, was taken by the Macon county sheriff's department to Samaritan Hospital of Macon. The patrol described her injuries as minor. She was riding in a pickup driven by 22 year old Clinton Munn of Atlanta, Missouri, He apparently wasn't hurt.

The patrol investigator said the westbound pickup failed to negotiate a curve and ran off Front Street and struck a tree in the Macon county town of New Cambria. The accident was west of Highway 149. Damage was minor to the truck.

The highway patrol also reported Laci Dunn was arrested on charges of receiving stolen property in Grundy county. Online court records for Grundy County show Laci Dunn, earlier this month, with a Trenton address. Bond was set at 15 thousand dollars.
