The City Of Trenton, North Central Missouri College, and the Trenton area Chamber Of Commerce are planning business seminars, one each month, for the rest of this year.

NorthCentral MISSOURI COLLEGE

A program on August 21st is called security, protecting Your business from theft and fraud.

The topic on September 11th is called human resources, finding and retaining the best employees and building a dynamic team.

The seminar on October 23rd is called marketing, how to get the most from your marketing dollars and increase your average sales per customer.

A program on November 13th is called business finances and legal issues, improving your bottom line and knowing the legal pitfalls.

The December topic is business resources, knowing resources available to your business. It's planned on December 11th.

North Central Missouri College says the final date of each session is subject to change.

Interested persons should contact Teresa cross at North Central Missouri College. The telephone extension number is 14-03.
