The North Central Missouri Fair saw wide variety of exhibits in the Rock Barn.

Local individuals representing adult, junior, and convalescent home/learning center activities display household crafts, hobbies and 4-H project areas. The overall number of individuals displaying items is almost identical to last year. All judges commended the items shown noting that overall quality was seen as being very high.

A total of 51 area youth displayed in the Youth Division of the Rock Barn this year. Displays in the Rock Barn covered a variety of areas of interest including, but not limited to, arts and crafts, cake decorating, foods, photography, and horticulture. Awards in the area of woodworking, sponsored by Moore's Construction and Woodworking, were also given. Youth Division also saw individuals participating in the Ball-Kerr Food Preservation awards.
