70 year old Donald Reese of Meadville was taken by Lifeflight to Liberty Hospital after an accident in Daviess county.

The accident occurred Saturday night on highway 190, two miles north of Lock Springs at approximately 8 o'clock in the evening.

Reese's vehicle was travelling southbound, when his Ford Focus traveled off the right side of the roadway, striking a sign and a concrete bridge railing.

The vehicle came to rest against the bridge railing on it's wheels.

Authorities report Reese's injuries were moderate. The vehicle sustained extensive damage. The patrol reported that Reese was not wearing a seat belt.
