Though the legislature is on its annual break, members of the Citizens and Legislators Working Group on Medicaid Eligibility and Reform have been criss crossing the state.

This coming Wednesday, August 7th, State Representative Casey Guernsey will host the committee during a meeting at 9 a-m at the Cameron Veterans Home, 11-11 Euclid in Cameron. The public is invited to attend and participate in the meeting on what Guernsey calls Medicaid Transformation.

The Cameron hearing is expected to continue until all persons have had a chance to testify. Members of this interim committee, besides Casey Guernsey of Bethany, also include State Representatives Nate Walker of Kirksville and Jim Neely of Cameron.
