A Trenton man, 30 year old Timothy Hamilton, has been arrested.

He was accused of calling the emergency phone number to the law enforcement center where there wasn't an emergency; then allegedly disregarding information from the 9-1-1 dispatcher that the line was for emergencies only.

Bond was set at 500 dollars cash with Hamilton to appear Tuesday in the associate division of Grundy county circuit court. The misdemeanor charge connected to the Saturday incident is listed as misusing telephone service.
