A wreck has snarled traffic on Interstate 35 north of Cameron.

A traffic accident about five miles South of Pattonsburg on Interstate 35 has snarled traffic.

The Highway Patrol said northbound and southbound traffic is being diverted at mile marker 74 following the crash.

Both northbound and southbound lanes of traffic on I-35 have been closed due to this accident.

The Missouri Department of Transportation indicates that I-35 could possibly be open by 1 p.m. this afternoon, however, the southbound lane will take longer to open.

The wreck was reported about 10:15 a.m. this morning, but, authorities have not released any other information.
