A Galt man, 50 year old Kenneth Pate, received what the highway patrol called minor injuries in 9 a.m. accident yesterday morning three miles south of Spickard.

The highway patrol said he was to have been taken to Wright Memorial Hospital.

The report said Pate was westbound when his truck crested a hill; crossed the center of Northeast 100th Street and began to skid; crossed back over the center of the road, and went off the right side. The driver over-corrected with the truck going across the road while rotating 180 degrees, then went off the left side of the road where it overturned, struck a fence, and came to rest on its top on the shoulder of the road.

The truck was demolished. The report said Kenneth Pate was using a safety device.
