Dates in September have been announced for Veterans to receive assistance with benefits and claims.

Friday September 6th is the date for a veterans benefit at the V-F-W Post Hall on Washington street in Trenton. A service officer will be present from 9 am until 3 pm on that day.

Another opportunity is Monday September 16th when a service officer will be at Trenton HyVee, also from 9 to 3 o'clock.

Veterans are asked to take a copy of their DD-214 and all V-A paperwork. All assistance is provided free of charge through donations received by the V-F-W throughout the year.
