Two Maysville residents received what the highway patrol called serious injuries when a minivan traveled off a road north of Maysville and down an embankment.

A passenger, 33-year old Joni Harmon, was flown by medical helicopter to Truman Medical Center at Kansas City.

The patrol reported the driver, 13-year old Brilyn Harmon, was taken to Heartland Regional Medical Center at St. Joseph.

The accident occurred early yesterday afternoon five miles north of Maysville on route A.

The southbound mini-van went off the left side of the road, traveled back to the right, skidded off the right side of the road, and hit an embankment.

The driver, 13 year old Brylin Harmon, was partially thrown from the mini-van.

Neither person was wearing a seatbelt, the vehicle was demolished.
