The Community Blood Center will be making two visits to Trenton in the next few days.

There is a blood drive Friday from 9 o'clock until 1 o'clock in the Alexander student center at North Central Missouri College.

Advance announcement is made that the community blood center will visit the North 65 Center in Trenton September 9th. Donations of blood will be accepted from 12 noon until 6 o'clock next Monday. This upcoming blood drive is sponsored by the Hodge Presbyterian Church. Appointments can be made online at the community blood center web site which is esavealifenow.org
