A one vehicle accident in Harrison County claimed the life of one man on Monday afternoon.

The Missouri State Highway Patrol says the accident happened just before 2:00 P.M. when Kirk A. Roland, 33, was driving a 1998 Chevrolet Monte Carlo westbound on US-136 when he drove off the right side of the road and overcorrected, sending the vehicle off the left side of the road where it struck a tree before coming to rest on its roof.

Roland was pronounced dead at the scene. There were no passengers in the vehicle.

The victim was wearing his safety belt.
