A truck driver from Texas was hurt when a tractor-trailer unit overturned off Interstate 35 north of the Winston exit.

Thirty-five year old Ramon Pizana of Brownsville, Texas was taken to Cameron Regional Medical Center, with what the Highway Patrol called minor injuries.

The accident was early Tuesday morning about five miles north of the Winston exit. The Patrol said the northbound truck went off the right side of the road, overturned, and slid down the embankment, coming to rest on the passenger side of the truck. The vehicle was demolished. Pizana was wearing a seat belt.
