The North Mercer Board of Education has employed Kim Hertzog of Princeton as a paraprofessional for special education.

She's previously been a substitute teacher in the North Mercer district.

The North Mercer Board accepted a photography bid from Captured Moments by Teri at Mercer for Barnwarming, Homecoming, and Prom during this school year.

The bid was the lowest of 2 received. The charges for the pictures are paid by students.

The North Mercer Board also accepted a tuition waiver request for a student. The waiver was attributed to special circumstances.

The next regular meeting of the North Mercer Board of Education was moved from October 8th to October 14th because of Junior High school basketball action.
