The Missouri Day Festival at Trenton has a new decorating contest this year, hay bales. Persons may decorate round or square bales of hay, or a combination of the 2.

The contest is open to persons throughout Grundy County. Entries can be left on the entrant's property or taken to the east end of the Orscheln Farm and Home Supply parking lot at Trenton.

Entry forms are due at the Trenton Area Chamber of Commerce office by October 11th to be judged for prizes.
