The Missouri Day Festival quilt show has a deadline of this Friday to provide information about the quilts entered.

Entry forms are available at the Trenton Area Chamber of Commerce office, and at the website of the Scrappy Quilters Guild---www.scrappyquilters.com.

Entered items should be taken to the Trenton Republican Times office by October 9th.

Categories in the quilt show include bed quilts, quilted wall hangings, table runners, specialty, vintage, quilted clothing, purses, and accessories. There's also an option to have the entries rated by a panel of judges for a fee of \$5.

The competition includes a youth division in all categories for children up to 16 years old.

Cash prizes will be awarded in the judged competition. Gift baskets will be given in the non-judged and youth divisions.

Additional information is available at the Scrappy Quilters website.
