Re: Notice of Plant Closing

Dear WARN Coordinator:

This letter is intended to comply with the notice obligations of Conagra Brands, Inc. ("Conagra") under the Worker Adjustment and Retraining Notification Act (the "WARN Act"). Conagra will be discontinuing its production operations and closing its facility located at 1401 Harris Avenue, Trenton, Missouri (the "Trenton Facility") to improve efficiencies and effectiveness and eliminate redundancies within its supply chain network.

Conagra's decision to close the Trenton Facility will affect all employees and is expected to be permanent. Based on current projections, it is anticipated that the Trenton Facility will close on May 31, 2018, or within fourteen days. Employee separations will occur in phases; Conagra will begin separating employees from their employment on March 9, 2018 or within fourteen days and expects to ultimately separate all employees by May 31, 2018 or within fourteen days. As a result of the closing, employees in the following job classifications will be separated from employment:

Production and Production Support	252
Management and Administrative	30
<b>Total</b>	<b>282</b>

The production and production support employees are represented by a union; management and administrative employees are not represented by a union. The represented employees are represented by Local Union No. 194G Bakery, Confectionary, Tobacco Worker's and Grain Millers International Union, AFL-CIO-CLC, who may be contacted through Michael Voorhies, President, P.O. Box 564, 903 Main, Trenton, MO 64683; these represented employees have bumping rights. No other employees at the Trenton Facility have bumping rights.

A detailed list of the job titles of positions and number affected within each job title, as well as the anticipated termination date, will be maintained on site at the Trenton Facility and is available for your inspection.

If you have any questions, please contact me at 402.240.7953 or [Teresa.Morse@conagra.com](mailto:Teresa.Morse@conagra.com).

Sincerely,

*Teresa Morse*
